(1) In an Electronically Filed Case, all pleadings, motions, notices and other material filed with the court shall be in the form of Electronic Documents except where otherwise expressly provided by statute or the Rules of Court, or where the court orders otherwise in an individual case for good cause shown.

(2) Each attorney admitted to practice in the Commonwealth shall be entitled to a registered User ID and password issued by the clerk, or access using any comparable identification system approved by the Supreme Court, for the electronic filing and retrieval of documents.

(3) The clerk shall provide a means, in the courthouse or other designated location, for the parties, counsel and the public to review and copy electronic records from the electronic file during normal business hours.

(4) The format for electronically filed material shall be the Portable Document Format (PDF). Notice will be provided if any other format is approved.

(5) (i) Subject to the provisions of subsections (d)(6) and (7) of this Rule, an electronic document shall be filed by following the procedures of the applicable E-Filing Portal, and shall be deemed filed on the date that it is received in the E-Filing Portal without regard to whether the filing occurred within or outside of standard business hours. If the electronic document is received in the E-Filing Portal on a Saturday, Sunday, legal holiday, or any day or part of a day on which the clerk's office is closed as authorized by an act of the General Assembly, then such document shall be deemed filed on the next day that is not a Saturday, Sunday, legal holiday, or day or part of a day on which the clerk's office is closed. ~~Filings will be accepted during normal business hours and until 11:59:59 p.m. on any day the clerk's office is open.~~

(ii) Upon electronic filing of a document, an electronic confirmation shall be transmitted to the filing party indicating that the document has been successfully filed through the E-Filing Portal. In addition, the court to which the document is directed shall promptly transmit an electronic acknowledgement of its receipt of the electronically filed document, specifying the identity of the receiving court, the date the document was received by the court, and a court-assigned document reference or docketing number.

(6) A person who files a document electronically shall have the same responsibility as a person filing a document in paper form to ensure that the document is properly filed, complete, and readable. However,

(i) if technical problems at the E-Filing Portal result in a failure to timely file the electronic document, counsel shall provide to the clerk of the court on the next business day all documentation which exists demonstrating the attempt to file the document through the E-Filing Portal, any delivery failure notice received in response to the attempt, and a copy of the document, and

(ii) in the event that the E-Filing Portal was not available due to technical problems during the last filing hours of a business day, the office of the clerk of the court to which the document is directed shall be deemed to have been closed on that day solely with respect to that attempted filing and the provisions of Virginia Code § 1-210(B) and (C) shall apply to that particular attempted filing for purposes of computing the last day for performing any act in a judicial proceeding or the filing of any legal action.

(7) Clerk's notice of defects in a filing; striking documents; court orders.

A copy of this notice will be retained in the permanent electronic case file maintained by the court. The document remains validly filed during the period afforded for curing such defects and until an order of the court provides otherwise.~~

(A) if the clerk has been provided by the filing party with a credit or payment account through which to obtain payment of fees, the clerk shall immediately process payment of the correct fee through such credit or payment account; or

(B) if processing by the clerk of the proper payment through a credit or payment account authorized by the filing party is not feasible, notice shall be sent by the clerk electronically to the filing party, and all other parties who have appeared in the case.

(ii) ~~If the defect in an electronically filed document set forth in a notice transmitted pursuant to subsection (d)(7)(i) is not cured within the permitted period, or if any other defect considered grounds for rejection or striking of a filed document are identified by the clerk, the clerk shall~~

~~prepare and transmit electronically to all parties a notice that the defect will be presented to a judge of the court at a specified date and time for consideration of an order striking the document from the court records or directing other action. (iii) A copy of all notices transmitted by the clerk under this subpart (d)(7) shall be retained in the permanent electronic case file maintained by the clerk. A copy of any document stricken shall be retained by the clerk with a designation clearly reflecting that it was stricken and the date of such striking, as a record of its content and disposition.

(8) The clerk's office must accommodate the submission of non-electronic documents in an Electronically Filed Case if filing in electronic form cannot, as a practical matter, be achieved. Such documents shall be imaged to facilitate the creation of a single electronic case file to the extent reasonably possible. An oversized document that is capable of being imaged shall be retained in the form submitted.

(9) ~~When a judge enters an order, the judge or clerk will update the electronic record to indicate the identity of the judge an order is entered, the electronic record will be updated to identify the judge who directed entry of~~ the order and the date it was entered, and ~~shall send~~ a notification shall be sent to counsel of record that the order has been entered, along with a copy of the order or an electronic link providing access to such order. If the entry of an order is done on a paper copy of the order, a digital image of such order shall be made a part of the electronic record, and the endorsed original paper shall be retained for the record.

(10) Hyperlinks between two portions of a filed document or between two or more documents filed in the same case, are permissible, but hyperlinks to other documents, or to external websites, are prohibited. A hyperlink is not itself a part of the official filed document and each hyperlink must contain a text reference to the target of the link.

(3) An e-mail address of the counsel of record shall be included in the electronic documents filed as required by Rule 1:4(l).

(4) The approved electronic identification accompanying the document when filed shall constitute that person's signature on the document for purposes of Rule 1:5 and Virginia Code § [8.01-271.1](#).

(5) The provisions of Article 4.1 (§§ [17.1-258.2](#) et seq.) of Chapter 2 of Title 17.1 of the Code of Virginia shall be applicable where a document is to be notarized, sworn, attested, verified, or otherwise certified, or if any sworn signatures, stamps, seals or other authentications relating to the document are required by any statute or Rule, and an electronic or digitally imaged document with such accompanying entries shall be filed in the clerk's office. Electronic notarization in compliance with the Virginia Notary Act (§§ [47.1-1](#) et seq.) may also be employed with the filing.

(6) An acceptance of service or a certificate of counsel that electronic copies were served as this Rule requires, showing the date of delivery, shall electronically accompany the served papers and shall satisfy Rule 1:12.

(7) In compliance with Rule 1:13, drafts of orders, decrees and notices shall be served on each counsel of record. Such service may be by electronic transmission and shall make provision for electronic endorsement by multiple parties where applicable. Objections or other notations by the parties shall be entered upon the drafts so circulated, or appended to such drafts by specific cross-reference or other unambiguous association. Endorsed drafts shall be submitted electronically whenever possible, and shall be accompanied by proof of service or acceptance of service when required by the rules of court. If there is no practical means of submitting an electronic or digitally imaged endorsed draft, the manually endorsed document shall be filed in the clerk's office. The clerk shall accommodate the imaging of the document into electronic form and shall retain the original endorsed document.
