Granted Appeal Summary

Case

MARY CARROLL GRIFFITH PLATT, ET AL. v. MARY CATHERINE MILES GRIFFITH,
ET AL.

(Record Number 190817)

From

The Circuit Court of Henrico County; J. Marshall, Judge.

Counsel

Daniel A. Carrell (Carrell Blanton Ferris & Associates, PLC) and Robert Coleman Smith (Robert C. Smith, PLC) for appellants.

W. Benjamin Pace and Joseph R. Pope (Williams Mullen) and Hugh T. Antrim
(ThompsonMcMullan, P.C.) for appellees.

Assignment of Error

The circuit court erred as a matter of law by ordering that plaintiffs, qualified beneficiaries under their father's will, lacked standing to sue other beneficiaries who had induced the testator to make inter vivos transfers to them when he lacked capacity and was subjected to undue influence.
